**ORDER GRANTING MOTION FOR PRELIMINARY INJUNCTION**

Plaintiffs filed a Motion for Preliminary Injunction on 24 June 2013. (Mot. Prelim. Inj., ECF No. 33). Upon consideration of the motion and related documents, the Court finds that: (1) the plaintiffs have demonstrated a reasonable likelihood of success on the merits of copyright claims premised on copyrights for which they had received a registration certified on or before 2 April 2013, under both direct and indirect infringement theories, (2) the plaintiffs are entitled to a presumption of irreparable harm, and (3) upholding copyright protections serves the public interest.

This Court therefore ORDERS that, pending a final resolution of this matter, (1) the defendants are restrained from contacting Hostgator in an effort to replace any url that contains a Graphic Design or Product Image registered as

of 2 April 2013, and (2) the defendants are restrained from infringing those copyrights online through any other ISP.
